WE

STONE

defines strength
connects us to the origin
was, is and will always be a part of our culture
played a great role in the history of mankind
has witnessed the evolution
will continue to play a larger role in the civilizations to come.....

At STOME India Co.

We believe in the never explored possibilities.
We highlight the capabilities of Indian artisans.
We create contemporary dimension along with existing classical one.
We help designers create anything and everything they want in stone.
We assist designers in customizing stone items to suit the requirements.
We make use of modern technology along with traditional hand carvings.
We are supporting Indian stone industry in a big way.
We have finest and largest display of sandstone items with in place set up.
Ethics is essence.....

DISPLAY CENTER

A 2 acre display center with all the items for you to experience.

Display gives you actual feel. Live display.
